SKYFOOD offers a Blender for all jobs. Four different high speed models. Stainless steel, glass and polypropylene containers available. Reinforced clutch prevents slipping and insures high speed blend. All units have on off pulse switch. All LI, LT and LV models have double welded stainless steel blades with screw off bases, which allows for cleaning and quick blade changing if needed. The LI series are equipped with a stainless steel container, the LV with a glass container and LT with a clear polypropylene container. All containers interchange with power base. Extra containers allow mixing of multiple drinks on same base.
